Imagine a school where the leaders in student government, academics, the arts, and sports brought out the best in themselves and their peers. Impossible Maybe not! Tommy Nelson's new PowerPak series by John C. Maxwell adapts for ages 10 - 14 the leadership techniques from Maxwell's New York Times bestseller *Developing the Leader within You*.

In the PowerPak series, Maxwell gives a simple step-by-step plan for any young person to learn leadership skills before reaching high school or college.

Topics covered include peer relationships, influence, priorities, integrity, problem solving, and self-discipline.
