A brand new story of crushes, first love and friendship from the original Queen of Tween – Jean Ure! When Maya falls off her bike and into the arms of Jake Harper, her cousin Mattie thinks the crush that follows will be as short-lived as the rest – especially as Maya is a Year 8 nobody and Jake is a Year 12 god. Mattie's pretty sure that Jake's taken, anyway. But if Jake's got a girlfriend then why does he keep offering Maya lifts around town? And why does Maya accuse Mattie of being jealous of her? Perhaps there's more to this crush than meets the eye...
