A former navy SEAL undercover...and into temptation Going undercover at the historic Poppy Gold Inns should be easy for former navy SEAL Gabe McKinley.

But it's not. He needs to find out who's sabotaging his family's company...and his prime suspect is the resort's lovely--and fiercely protective--manager, Tessa Connor. The more he gets to know her--and the more they get under each other's skin--the more Gabe doubts that Tessa could be the culprit. But has his military focus been compromised by his need to kiss her blind? Because as they get closer to danger, Gabe risks the one thing he fears: falling for Tessa.
