The dark comedy roller-coaster ride through Wonderland continues in the second trilogy in the Malice in Wonderland Saga. This time around, 15-year-old Queen Malice struggles to keep twisted fairy tale beings from entering Wonderland. But she also has to deal with troublesome romantic feelings, and a malfunctioning heart that leads to murderous rage. She'll try not to kill too many creatures and people, though. Not-quite-right versions of Cinderella, Sleeping Beauty and even the Three Little Pigs make their appearances. And of course, her friends the Mad Hatter, Humpty Dumpty and even the Cheshire Cat are along for the adventure. All three volumes of the trilogy are collected here in one value-priced package! Here's the description from Malice Hates Fairy Tales #1: The Brothers Grimm are trying to unleash twisted fairy tale beings into Wonderland. 15-year-old Queen Malice doesn't want to deal with them. But then Malice's dear friend, the Mad Hatter, is kidnapped.

So to save him, she's forced to work with Cinderella, and ends up getting sucked into Fairy Tale Land. If things keep going this way, the fairy tales might eventually cross over into the outside world, where her twin, Alice, lives. Malice struggles to do the right thing, but her heart keeps malfunctioning, sending her into fits of maliciousness. Killing Cinderella would be bad, right?
