This is Mike Sadler's story, one of five true-life recollections from the Second World War in Tales From The Special Forces Club. The Special Forces Club is a fabled gentlemen's club, based in the heart of London. It has a closely guarded secret: you have to be a genuine hero to be a member. Mike Sadler was in Rhodesia working on a farm when he decided to join up and fight Hitler. He would become one of the legendary men in the Long Range Desert Group, roaming behind Erwin Rommel's front line and causing havoc and confusion to the German Africa Korp. He would also go on to serve with distinction in the SAS. This is his story. The Victor Index. Last Updated January 2018. Note this is very much a work in progress.
