David Powell, through impeccable research and creativity, waves a tapestry of temptation using the bad guys in the Book of Mormon. Political unrest, government corruption, assassinations, bloody wars, moral decay, pride, greed, and unspeakable evil, all are revealed within, showing clearly how the Book of Mormon is indeed a work for us in the latter days. David makes it possible for anyone to understand what is in store for those who decide or allow themselves to be a bad boy (or girl) in these times. *Bad Boys of the Book of Mormon* is a must for Seminary students and teachers, Institute students and teachers, Sunday School students and teachers, and anyone else who is seeking truth.
