S. Willett's trilogy comes to a close... Country and the Rock: Book 1 Country Captured: Book 2 And finally...Country Unleashed: Book 3... This third book of the series, brings Country home from the Whirlpool Galaxy only to find his family in danger and the Rocky Mountains being torn apart by the looting Venetician's. Country and Miguel are stranded on the planet Sory where they find adventures at every turn in the underground city of Eln. They visit an otherworld zoo, help repair the damage done to Sorian farms after a battle with the Veneticians, and try to be understanding with Kallie, a Venetician and enemy. Miguel creates havoc when given a bracelet that allows him to travel through space at the speed of light. On the emergency trip home, Ramar (leader of the Sorians) bestows Country the title of Junior Officer and he's given the responsibility of finding the Venies' weakness. During the flight, he finds out that knowing who your friends are can be impossible. Country and his friends think they're powerless to stop the destruction of our mountains and the takeover of Earth. But they must try.
