Summary of Armageddon by Dick Morris and Eileen McGann | Includes Analysis Preview: Armageddon: How Trump Can Beat Hillary by Dick Morris and Eileen McGann is an attack on 2016 Democratic nominee Hillary Clinton and an enthusiastic endorsement of Republican nominee Donald Trump. The book argues that Clinton is corrupt and will destroy the country if elected. By contrast, Trump is a strong, brave, noble politician. Clinton is a corrupt, untrustworthy, lying politician. If she wins, she will continue President Barack Obama's failed policies. She will expand the welfare state, raise taxes, and usher in European socialism. She will grant amnesty to undocumented immigrants and open the borders to flood the United States with more immigrants. These immigrants will then vote Democratic, which will ensure Democratic rule in perpetuity. This is the last chance for Republicans to defeat the alliance of Democrats and foreigners and make sure America continues to be a country for real Americans. Trump is the perfect presidential nominee. PLEASE NOTE: This is key takeaways and analysis
