Devon Devon's feelings for Erin became all too clear to him over the years. The little girl next door has blossomed into one of the most beautiful girls he has ever seen. Now he has to face his feelings for her once and for all. But confessing his love to Erin puts him on a collision course that jeopardizes his future. Will Devon destroy his own future and those around him to be with the girl he loves? Erin Erin no longer pretends that Devon is her best friend. She wants him, and in no uncertain terms. But Devon is in the big leagues now, with a promising future in college football and maybe more. In spite of their promises to stay together, they are now in two separate worlds that are pulling them apart every day. Will Erin let Devon go, or will they find a way to stay together against all odds? Excerpt Devon "I wanted to give you a present." She bit her lip and smiled at him. A wavy strand of her hair twisted in her fingers. Devon's eyes swept over her, sparkling and burning. His breath stalled as he drank in the sight of her. "You invited me here for lunch," he said with a smirk. "Oh, that's right," she purred.

"It's over there." She nodded her head towards the kitchen with a playful half-grin. Devon walked into the house and pressed one hand into his pocket, looking towards the counter.

Devon's eyes narrowed as he spotted a single can of whipped cream. Erin had already been driving him crazy. Now flashing visions of spraying whipped cream all over her golden, glistening body was driving him into a state of delirium. "I hope you brought your appetite." She gave him a devilish grin.

Devon took a deep breath and took in the full vision before him. His eyes widened as he watched Erin reach for the whipped cream. She licked her lips as she prowled up to him. "Are you hungry?" she purred. "Oh my." His breath hitched.

Erin's eyes sparkled as she shook the can and sprayed some on her index and middle fingers. She sucked her fingers with her soft, full lips. She sprayed her fingers again and placed them to Devon's lips. "Taste. It's sooo good." Devon pressed her fingers to his mouth and slowly licked the whipped cream from her fingers, pulling her into his mouth, sucking on her fingers and the delicious sweet taste of her skin mixed with the frothy sweet cream.

Devon licked her fingers clean; his cheeks dented as he sucked on her fingers in a delicious indulgence. Genre: Young Adult Romance Type: Romance Series/Serial Warning! This series contains sexually explicit scenes. Mature audiences only!
