- [Can Abenomics Succeed?: Overcoming the Legacy of Japan's Lost Decades.epub](#) [ePUB]

Japan's revitalization plan, dubbed the three arrows of Abenomics, devises a three-pronged strategy combining fiscal, monetary, and structural policies to overcome that country's apparent inability to sustain economic recovery. This book is the first comprehensive assessment of Abenomics and the reforms needed to make it a success, including aggressive monetary easing, growth-friendly fiscal consolidation, and structural and financial sector reforms.
