Summary of The Confidence Game by Maria Konnikova | Includes Analysis Preview: The Confidence Game is a nonfiction examination of con games. It considers both the minds and methods of con artists and the minds and weaknesses of the people who fall victim to their schemes. Con artists are some of the most intuitive psychologists in the world. They are able to read people quickly and easily. They understand what different people want and they take advantage of this by offering them easy solutions: by appearing at the right time, in the right way, with the desired offer...
