Dante Gabriel Rossetti was an English poet, illustrator, painter and translator. He founded the Pre-Raphaelite Brotherhood in 1848 with William Holman Hunt and John Everett Millais, and was later to be the main inspiration for a second generation of artists and writers influenced by the movement, most notably William Morris and Edward Burne-Jones. His work also influenced the European Symbolists and was a major precursor of the Aesthetic movement. Rossetti's art was characterised by its sensuality and its medieval revivalism. Rossetti gave up oil painting after 1860 and thereafter worked mainly with water colors in small format, which sold well thanks to the sympathetic art critic John Ruskin, whom he had met in 1854. In 1860, he married his long-time model Elizabeth Eleanor Siddal.

This feminine ideal of the Preraffaelites was Rossetti's muse and source of inspiration until her suicide in 1862.

Fine, guaranteed antique maps, atlases, antique books, antique prints and early photographs from David Hulse Associates John Ruskin (8 February 1819 – 20 January 1900) was the leading English art critic of the Victorian era,
