David Andersen doesn't have a problem indulging in Valentine's Day, per se, but not on a first date. Considering it was the love fest of the year, he didn't want a woman to get any ideas that a wedding ring was forthcoming before he got a chance to know her.

So he has no choice but to wait until the whole Valentine's Day hoopla was over, then he would make his move on a sister in his church he can't take his eyes off of. For the past two years and counting, Valerie Hart hasn't been the recipient of a romantic Valentine's Day dinner invitation. To fill the void, Valerie keeps herself busy with God's business, hoping the Lord will send her perfect mate soon. Unfortunately, with no prospects in sight, it looks like that won't happen again this year. A WOMAN AFTER DAVID'S HEART is a Valentine romance novella that can be enjoyed with or without a box of chocolates.
