A Royal Fortune – Judy Duarte MY KINGDOM FOR A COWGIRL They go together like...chutney and barbecue. High tea and hot sauce. You couldn't come up with a more unlikely twosome than Jensen Fortune Chesterfield and Amber Rogers. So when the paparazzi catch the Fortune heir in a lip-lock with the free-spirited rodeo rider, Horseback Hollow goes wild. What is really going on here? Princes only fall for commoners in fairy tales, but who could blame Amber for crushing on Jensen? The sweet cowgirl can see the big-hearted man beneath that buttoned-up Brit. Could it be that the simple life of the Hollow is exactly what Jensen needs? If only she can find a way to get him to see how she truly feels...and rope this aristocrat in a Stetson for keeps! The Homecoming Queen Gets Her Man – Shirley Jump Welcome Home, Meri Prescott! Roll out the red carpet – Meri's back in town! But how could the island beauty fishing for awards be Stone Cove's crown jewel? Her hair is class, but her...

now could the jean-clad beauty rising for crowds be Stone Gap's every-biond-nair-in-place princess? It seems the former Miss North Carolina has had it with pageants and perfection. Meri's home to care for her ailing grandpa and realise her dream of becoming a photographer. If she could just ignore her treacherous heart when she gets her first gander at her gorgeous, all-grown-up first love... Meri was sweet fifteen when Jack Barlow gave her her first kiss — only to break up with her a year later and ship out to war. The soldier who comes home has changed, just like Meri. Doesn't Jack know two can heal better than one? That it's what's inside that counts? And Meri's got so much to give to that special Barlow man.

Welcome Home, Meri Prescott!
